Category	Frame
Number of units	5

Mechanical and environmental data

Mating cycles	100.000
Weight	43.74 g

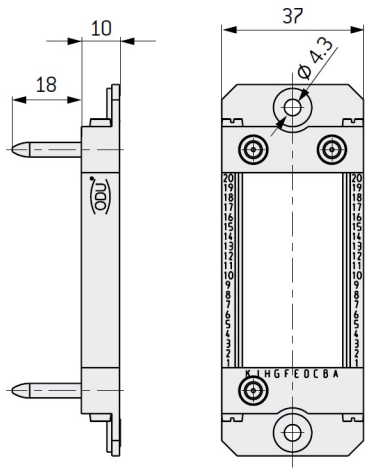

In the ODU-MAC Silver-/ White-Line product portfolio we explicitly recommend that the modules are purchased assembled with the frames in order to prevent possible errors in the assembly process. Only in exceptional cases we can supply individual parts. However we cannot take any liability therefore. We would like to emphasize the usage of our ODU tools, as well as our current assembly instructions in the download area: https://odu-connectors.com/silver-white-line-instructions

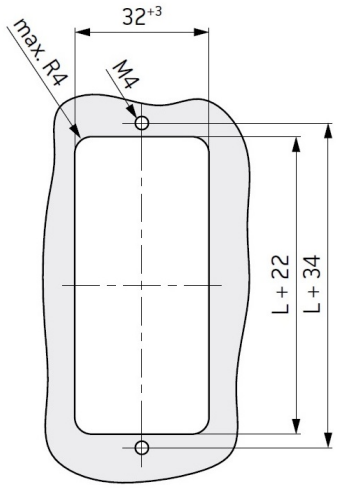

Material and surface treatments

Material	Aluminum

ODU reserves the right to make changes based on the current state of knowledge without prior notice without being obliged to provide replacement deliveries or refinements of older designs.
